Māori advisory committee and Māori trade marks | Intellectual Property Office of New Zealand7/4/22, 23:04

## Practice guidelines

### Māori advisory committee and Māori trade marks

This document provides guidelines on sections 177-180 of the Trade Marks Act 2002. These guidelines do not constrain the judgement and discretion of the Commissioner of Trade Marks.

## Native American tribal insignia

Tribal insignias represent a long and cherished history of spiritual and cultural beliefs within American Indian and Alaska Native tribes (Native American). Our database aims to protect these cultural properties by helping us determine if trademarks in pending applications falsely suggest connections to the tribal insignia of Native American tribes.

The tribal insignia database is a component of the Trademark Electronic Search System (TESS), a larger database maintained by the United States Patent and Trademark Office (USPTO).
