

Worldwide Perspectives on Geographical Indications – International Conference  
*Montpellier (France) – 5-8 July 2022*

## **Public Round-Table**

**Date:** Wednesday 6 July, 7-8.30PM

**Moderators:** Stéphane Fournier and/or François Purseigle from the Infaact Chair

**Location:** Centre Rabelais, 27 boulevard Sarrail, Montpellier

In the framework of the conference on the international perspectives of geographical indications <https://gi2021.sciencesconf.org/>, we have planned a public conference in the evening with four producers from four continents in order to give them the opportunity to present their product to the public of Montpellier and to the public of the conference.

For this we invite Myo Aye, coffee producer from Myanmar, Vincent Beh Lams, weaver of Pagné Baoulé in Ivory Coast, Yudy Paola Pineda Suárez, producer of Bocadillo Veleno in Colombia and Géraud Valadier, Président de la coopérative Jeune Montagne (AOP Laguiole) to present your product during this public conference.
